Louis : Avocat de la défense

Lord Judge,
I am Louis, Mary Maloney's lawyer and I want to plead today her particular situation.
Yes, according to me and according to the prosecutor, Mary MALONEY is guilty, she is a murderer.
However, we can understand her decision to kill Patrick because he wanted to leave her, more the less she is pregnant.
Mary is a good wife, she loves Patrick and she is happy. The decision of her husband is a disaster and the end of a marvelous family life.
Her action was violent, but the decision of Patrick was extremely violent.
Maybe, she can be jailed for a short time.
I hope to convice the jury to take the stand on this way.
